RE: Transcripts of Secret Indictment & Superseding Indictment  
(Laura Savo and Philip Rosenberg, court reporters)  
Certificate of Record - **9th Circuit # 07-16756**  
Hawaii D.C. Cv. 06-00632DAE-LEK, Cr. # 04-00322-01DAE

Dear Clerk:

I received at mail call today, another copy of the transcript of the sentencing hearing, filed on 04/16/2008.

I am more concerned with the transcripts of the Secret Indictment and the Superseding Indictment, which somehow **have not been sent to me as yet, despite a request for them on November 14, 2007**, and follow-up request as per your instructions after that (see my letter dated March 18, 2008 enclosed herewith), as to the payment for them pursuant to Criminal Justice Act. Can you check to see why Ms. Laura Savo and Mr. Philip Rosenberg have not sent these to me yet? What is exactly the hang-up? It goes without saying that these two transcripts will clearly show prosecutorial misconduct (multiplicitous & double-counting counts render the indictments defective, and the bias of the district court for the government. A designated transcripts copy dated August 27, 2007 is herewith enclosed for your information.

In the alternative, should Ms. Laura Savo and Mr. Philip Rosenberg be forbidden to produce the two transcripts as requested, please just go ahead and send me and the 9th Circuit the **Certificate of Record**, considering the record is complete for now. I strongly feel that some kind of obstruction of justice has been done here, which will come out to light sooner or later.

Thank you very much for your kind assistance in this matter.

Sincerely,

cc: Clerk, Ninth Circuit

**Ninth Circuit Case 07-16756**

Dear Clerk:

Please check up for me to see whether the two court reporters have finished their transcripts for the "Secret Indictment" and the "Superseding Indictment" in my criminal case. I think it's over one month since I wrote according to your instructions. I am sure the Ninth Circuit has been waiting for this "Certificate of Record" to issue a "Time Schedule Order" for the Briefs.

Also, please stamp-file just the cover-sheet of the enclosed Motion and send it back to me, for my record.

Thank you very much for your "kokua" in this matter.

Sincerely,

Abraham Martin

P.S. Do you have any opening for my wife, Anna Martin, a sick woman and now a criminal, since her probation officer has been pressuring her to work to pay restitution? I guess the probation officer wants my wife to perform miracle, since Anna does not have a GED, no English, no trade skill and has never worked for any company in this country. Maybe I shall ask Dr. Michael Bornemann also to hire her, sicne he wrote to the probation officer that Anna could work in 2 months, since January 5, 2008 letter. I guess he wants to be part of the murder of my wife, since he never referred Anna to another doctor for treatment of her sore legs lately, when Anna suffered tremendously and could not walk. I almost sued him for malpractice back in January 1999, for wrongful diagnosis and medical subscription.
